## FFA CM Students attend MN State FFA Convention April 23-25

On April 23-25, Cedar Mountain FFA members, along with their advisor Hannah Wilts, attended the 2017 Minnesota State FFA Convention. Members of the group included Ashley Rothmeier, who performed 2 concerts as a member of the State FFA Band, and Emma Auslam, who was the Cedar Mountain Chapter representative and served as the chapter voting representative. Other students took part in contests or received awards. Here is a list of the results from the State FFA Convention:

- Congratulations to the 6 Cedar Mountain FFA members who received the State FFA Degree. They are **Spencer Sullivan, Parker Sullivan, Mya Mathiowetz, Bailey Nelson, Josh Wolling and Olivia Mathiowetz.**
- Congratulations to **Brooke Hoffbeck**, who received a Bronze place in Prepared Public Speaking.
- Congratulations to **Brooke Hoffbeck** for placing 3rd in Ag Sales Proficiency.
- Congratulations to **Trenna Jeppesen**, who placed fourth in Poultry Proficiency.
- Congratulations to the Crops team, who placed 8th. Team members are **Parker Sullivan, Spencer Sullivan, and Brooke Hoffbeck**, all 3 of them scored in the top 20% individually.
- Congratulations to the Soils team that competed at the State Convention. Team members are **Aidan Nelson, Rosalyn Madsen, Kate Lorang, and Trenna Jeppesen.**
- Best Informed Greenhand participants were **Rosalyn Madsen** (placing 16th), **Kate Lorang** (placing 25th) and **Lydia Sullivan.**

***Congratulations to all participants, you make Cedar Mountain proud!***

### STATE DEGREE

**State Degree Recipients: Parker Sullivan, Olivia Mathiowetz, Josh Wolling, Mya Mathiowetz, Spencer Sullivan, and Baily Nelson**

**Back Row: Aidan Nelson, Trenna Jeppesen, Parker Sullivan, Josh Wolling, Spencer Sullivan, Lydia Sullivan, and Kaitlyn Lorang Front Row: Brooke Hoffbeck, Emma Auslum, Olivia Mathiowetz, Mya Mathiowetz, Bailey Nelson, and Ashley Rothmeier State FFA Band: Ashley Rothmeier**

### SOILS

**Soils Team: Aidan Nelson, Kaitlyn Lorang, Rosalyn Madsen, and Trenna Jeppeson**

## End of the Year Positive List

Cedar Mountain has enjoyed many positive changes this past year. This is especially evident with the facility construction and remodeling. Here is a short list of some other positives at school this past year:

*Mr. Robert Tews  
Superintendent*

- The Cedar Mountain preschool program was expanded and awarded a 4 Star Parent Aware designation! This allowed our school to qualify to receive Pathway II Scholarships for this year! Parent Aware shows everyone that our program has assessments, curriculum and training that is approved by the Minnesota Department of Education.
- One to one learning continues to grow at Cedar Mountain. Students in grades 6-12 all have a Chromebook, and all elementary classes have access to iPad carts in the elementary.
- Cedar Mountain hosts many events through the year, including: Fall Open House, Parent/Teacher Conferences, Student Orientations, Homecoming Week Activities, Concerts, Book Fairs, Farmers Market, Student of the Week, Grandparents Day, Field Trips, States Fair, Year End Dance, Blood Drives, Veterans' Day program, and the list goes on and on.
- Cedar Mountain offers many athletic and academic opportunities to students. This includes: Volleyball, football, cross country, wrestling, boys and girls basketball, dance line, golf, tennis, junior high softball, junior high baseball, track, FFA, Knowledge Bowl, Mock Trial, National Honor Society, Speech, Blue Crue (student council), WE (Women Empowerment), STARS (students thinking about responsible solutions), Yellow Ribbon Suicide Prevention Program, Blue Crue Tue (elementary student council), School Play, elementary Triple A program, 21st Century Community Learning Center afterschool program, and Community Education activities.
- Students are able to access additional learning options through the PLATO program. Plato gives students more flexibility as to when they can take a class and the ability to personalize their education in ways that haven't been possible in the past.
- The 21st Century program is a great supplemental program that ties in well with our daily instructional program. Student participation is up, and students enjoy the program.
- The Instant Alert notification system is used to communicate information and reminders to parents and students throughout the year. We have had many opportunities to use Instant Alert this school year. It was also used throughout the year to share information on school events and relay school calendar reminders to families.
- As a school, we continue to count on parents to support their children and encourage them to do their best throughout the year. The involvement of parents in academics is vital to the success of their children in school. Thank you to all our parents for showing an interest in school and being open-minded and respectful when you have questions or things are unclear. Especially, thank you for entrusting your child to us.
- I want to recognize the hard work, dedication, and commitment of our staff at Cedar Mountain. The staff at Cedar Mountain has worked every day to provide an excellent education to our students. Thank you, Cedar Mountain staff members.
- One change that we researched for most of this year concerns our student information system. For 2017-18, Cedar Mountain will be converting from the JMC program to the Infinite Campus student information system. A big part of this change is the parent access part of the program. There will be more information available to parents (lunch balances and grades), and the ability to pay athletic fees and for lunch online.

**PreSCHOOL** Celebration

**Elementary School Gymnasium in Franklin**

Mrs. P. Machart  
Elementary  
Principal

## Elementary News

With spring comes busier than usual schedules as we try to balance time for studies and playing outside!

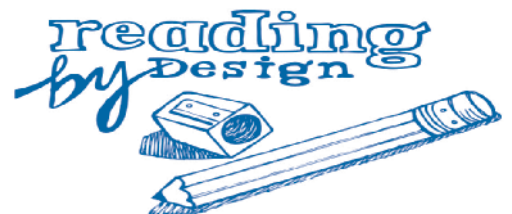

Please be sure to read the Friday letters and assignment notebooks carefully because there is a lot going on at Cedar Mountain Elementary in the spring!

- Teachers are starting to plan class trips. Be sure to keep track of the details of the trips when teachers send that information home. Some classes leave or return beyond the school day and you will need to either pick up or drop off your child at school. Some trips require your child to bring a sack lunch. The day goes much smoother when everyone is prepared and on time! The funds used for class trips are from the Farmer's Market. Thanks to your support of that event, we do not need to collect fees for trips.
- During the middle of April and May students in grades 3-5 will take the MCA tests – these are the state standardized tests that measure if students and schools are making adequate yearly progress. Students will also take our end of the year STAR assessments. Motivation and attitude are a key part of a student's success. It will help your child if you send them off to school with some words of encouragement, a good night's sleep, and perhaps a new pencil, eraser, or good luck note in their backpack. Teachers have been spending time reviewing grade level skills and teaching test taking skills. We hope all these positive efforts pay off and that our students put forward their finest effort to do the best they can!
- Teacher Appreciation Week is May 1-May 5. It is the perfect time to show your appreciation to all the educators that work with your children. In education, as in life, success and fulfillment depend on family, school, and community working together as one. Independently, as teachers, administrators, support staff, and parents we strive to do the best for our children, yet, together we can make a difference!!!

*Thanks for your continued support of Cedar Mountain School!*

Aaron Rhodes, Student Ministries Pastor, from EPIK YTH in Willmar, kicked off Alcohol Use Prevention Month by speaking with students in grades 6-12 about identity, positive relationships, and future goals. STARS (*Students Thinking About Responsible Solutions*) sponsored the event.

*Board Games!*

*Easter Cards!*

*Art Projects!*

*Photo Booth!*

*Painting!*

*Bean Bags!*

*What a busy and fun filled day with our guests!!!*

*Song Fest!*

*Lots of visiting!*

*Reading!*

*Computer Games!*

# Super Hero Night - **FRED Night**

FRED – Fathers Read Every Day - was a night filled with drawing, books, and ice cream floats! Close to 200 children and parents attended the event which featured artist, Jason Folkerts.

This annual event is held to encourage and remind fathers of the importance of reading and spending time with their children. This year, our visiting author, Jason Folkerts, taught the crowd how to draw super heroes. Wonder Woman, Batman, and Spiderman were all sketched by the students and parents. Throughout the drawing, Jason shared trivia of the heroes and villains!

Children were excited to win Jason's original sketches and every child received a book and enjoyed a root beer float!

Blue Crue Tue planned and carried out Mix It Up At Lunch Day at Cedar Mountain Elementary. Mix It Up At Lunch Day focuses on sitting with someone different in hopes new friendships will be created. Staff and students sat at different Emoji themed tables during their lunch shift and were able to have conversations with others they don't usually sit with.

## Mix It Up At LUNCH

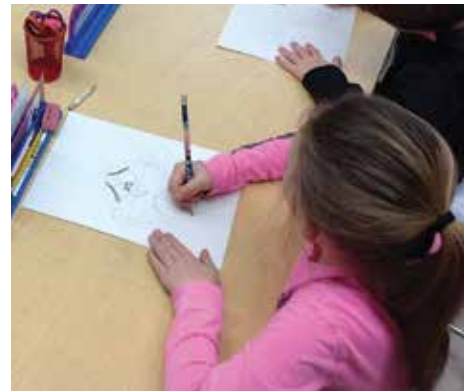

# VISITING ARTIST

Jason Folkerts, professional artist and cartoonist, visited CM Elementary on April 6. He shared his art skills with students in each classroom.

Jason has illustrated several children's books, drawn comic book covers, created murals in gyms, and draws caricatures at local comic book shows. He taught an art lesson to each grade and within 30 minutes each child created a unique cartoon character! One tip he gave us was to never use an eraser --- not until you are all done drawing and coloring -- then you can erase the lines that are left.

## Endangered Species Projects

It is spring at CM and that means it is time for the 3rd graders to do their Endangered Species projects. Each year student pick an animal that is endangered and complete research on that animal. After researching their animal, they create a diorama that show cases their animal's natural habitat.

Mr. R. Brandl  
MS/HS Principal

## Middle / High School

As each school year draws to a close, we say farewell to our graduating seniors. We wish each and every senior the very best as they transition into a new and exciting phase of their young lives. We hope that the experiences that they have had at Cedar Mountain have prepared them to be successful in whatever path life takes them. Thank you to both the

students and their parents for the efforts that they have made as we work together to provide a high quality education.

As we reflect on the 2016-2017 school year, the students and staff have accomplished a great amount and have a lot to be proud of. Cedar Mountain has made great strides in technology which will in turn better prepare our students for success in a changing world. Our students made tremendous progress in the classroom and also made us extremely proud with their successes in extra-curricular activities. Students at Cedar Mountain were able to see first hand that end result is

nearly always tied to the effort that they have put in. We are excited to use the experiences of the 2016-2017 school year as we prepared to be even better in the coming year.

Next year will bring about some changes at Cedar Mountain that will truly benefit our students. We are excited to be able to offer an ACT prep course for the first time to the juniors and we will be offering a new study skills curriculum for students in grades 7 & 8. The skills taught in both of these courses will help our students reach their full potential in all classes. Prior to the 2017-2018 school year Cedar Mountain will also be transitioning away from JMC to a new student information system called Infinite Campus. This new system will allow our school to communicate more effectively with families and will also provide some tools to make many processes more student and parent friendly. We look forward to sharing the other various positive changes with you at "Back to School Night" in the fall.

*We hope you have a great summer! Go Cougars!*

## Sophomore Skits

Each year the sophomores take a children's book or fairy tale and create a play based on the book. This year the sophomore class retold the tales of the Little Critter books by Mercer Mayer. The skits were performed at both the high school and elementary on April 7.

# Middle School Dance

STARS kicked off Alcohol Awareness Month by sponsoring the middle school dance/open gym on Friday, March 31st. Over 80 students attended and enjoyed the music and games of LeBon Entertainment and realized how difficult it is to perform most tasks while under the influence of alcohol.

## KNOWLEDGE Bowl

Both Junior and Senior High Knowledge Bowl teams had great seasons this year. The CM Knowledge Bowl teams traveled to area schools and did very well at the individual meets with a series of random questions about history, math, science and English among other categories. Both teams competed at Sub-Regions and Aaron Walter, Torie Lemcke, and Sarah Daub moved onto Regionals. What a great year!!

**Front:** Torie Lemcke, Erica Bock, Becca Tietz, and Sarah Daub

**Back:** Ben Nissen, Peyton Loken, and Aaron Walter

**Front:** Kelly Stelzer, Amber Lough, Britney Gegner, Hailey Bigger, Jessica Lund, Novelynn Wabasha, and Shaylee Schiller

**Back:** Tommy Ochs, Aidan Cavanaugh, Austin Christensen, Megan Sandgren, Lily Krogstad, and Keely Wendlandt

## Blood Drive

The CM Blood Drive was held on April 26 and 56 units of blood was collected which was short of our goal of 71 units. The Red Cross did get a bit of a later start than what was scheduled so this may have contributed to the lower number of units. We were able to award three \$250 dollar scholarships from Red Cross. The recipients were Rebecca and Rachael Wenisch, and Olivia Mathiowetz

*Thank you for  
your donation!*

## The Catfish! 2017

This year, the school representative for “*Kiss the Catfish*” is Ms. Tasha Zieske. Tasha works as a Special Education para in the elementary and is also the CM Community Ed. dance coach for preschool – grade 8. Tasha resides in Franklin with her family. Kiss the Catfish will be held the evening of Saturday, July 22nd, during Franklin’s Catfish Derby Days celebration. This year, all money collected will be used to help fund a playground at Cougar Cub Daycare Center. If you are interested in donating to Kiss the Catfish, please drop off donations at the school office in Franklin or Morgan, donations may also be dropped off at local businesses in Franklin. Thank you for supporting our new daycare!

## CM Choir – *Excellent!*

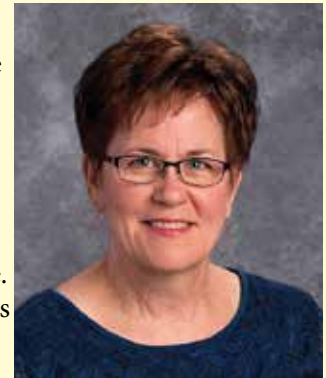

In March, Girls Ensemble attended a contest at Mankato State University, they came back with an excellent rating just below a superior.

*Great job, ladies!*

## Mrs. Fox Retires

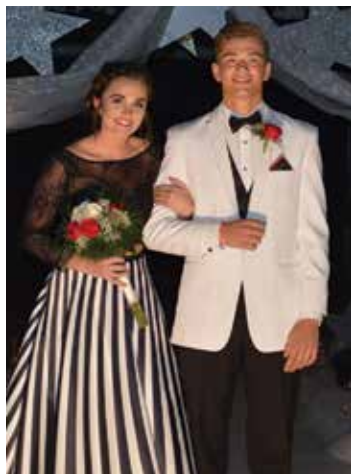

Mrs. Karen Fox has plans to retire at the end of this school year. Mrs. Fox has been a pillar at CM for 33 years and has a total 34 years of teaching experience. Mrs. Fox exemplifies what it means to be a teacher. She has dedicated her life to making a difference to kids and is and always has been passionate about teaching kids not only how to learn and grow academically but how to be a good person. *Thank you Karen, you have been a true gift to education and will be missed.*

# Prom 2017... A Night Under the Stars ★★★★★★★

Prom goers couldn't have asked for a more beautiful day for the Cedar Mountain's Junior-Senior Prom held Saturday, April 22. The theme for Prom 2017 was "A Night Under the Stars". The evening began with the Grand March at 7:00 p.m. in the high school gymnasium in Morgan. Many community members, family and friends were in attendance. The theme featured a black and silver starlit backdrop with a pallet arch and a 7 foot star. Following Grand March, the prom attendees enjoyed a banquet in the cafeteria catered by Lehar Catering at 8:00 p.m. The dance with "Thunder Music" DJ followed the meal and was held in the gymnasium until midnight. Post Prom followed and was hosted by the PAST committee. They had a lot of fun and games planned for prom attendees as well as opportunities to win money and prizes. PAST also provided snacks and beverages throughout the evening.

# CM *Drama*

Cedar Mountain Drama presented the spring play, *Villain School*, by Brian Taylor on April 7 and 8. The play was about a group of students who attend the Villains Institute for Learning Evil, better known as V.I.L.E., where students learned how to take over the world in a truly evil way. Students were broken up into four orders of evil doers. There were the monsters, the convicts and the witches and the most powerful group at V.I.L.E. was the evil geniuses. They were the 'top of the food chain' and had won the school's award for being the most evil for twelve years in a row. V.I.L.E. was run by a group of professors that were just as evil as the students. Of course after much turmoil and drama throughout the play, everyone lived happily ever after in true fairy tale fashion.

# Early Childhood Development

## Join Cedar Mountain Preschool!

We are now taking registrations for our Cedar Mountain preschool programs in both Franklin and Morgan for the 2017-18 school year. Registration forms and more information about each program are available from the preschool teachers or online on the school website at [www.cms.mntm.org](http://www.cms.mntm.org) under the Community Programs tab. If you would like more information, please contact:

Rachel Krenz – Franklin Preschool Teacher  
rkrenz@cedarmt.org • Ph: 557-2251  
Sarah Sullivan – Morgan Preschool Teacher  
ssullivan@cedarmt.org • Ph: 249-5990

**PRESCHOOL OFFERINGS:** School Readiness Preschool Program – *Must be 3 by September 1, 2017*

### FRANKLIN

3 year old class • 4 year old class  
Mondays & Wednesdays  
8:30 AM – 11:00 AM 12:45 PM – 3:15 PM  
Cost: \$60/month

### MORGAN

3 year old class • 4 year old class  
Mondays & Wednesdays  
8:30 AM – 11:00 AM 12:45 PM – 3:15 PM  
Cost: \$60/month

Kindergarten Jumpstart – *Franklin Site Only*  
For those going to kindergarten in 2018-19

3 – 5 year olds (Mixed age group)  
Fridays  
8:30 AM – 11:00 AM  
Cost: \$30/month

*If your child turns 3 during the school year, they may be able to join Fun Friday if room is available.  
Scholarships are available for those that qualify, contact one of the preschool teachers to find out more information.*

## Cougar Cub Daycare

**Openings!**

The CM Daycare center currently has openings in the toddler and preschool classrooms. For more information, to register or be put on the infant waiting list, please contact Jody Rose, Director, at 507-276-1805.

## Fight Summer Boredom...

### Check out the Following Websites for Fun Activities.

- National Geographic Kids: Great nature videos, activities, games, stories, and more
  - Discovery Kids: Video, games and activities to explore dinosaurs, sharks, space, pets, history and more
  - Smithsonian Kids Collecting: How to start your own collection and see what other kids collect
  - The Last American Dinosaurs: National Museum of Natural History
  - NASA Kids Club: A place to play games and learn about NASA through interactive explorations
  - My Wonderful World: A multimedia tour of our seven continents
  - Time for Kids: Fun games (The Great State Race), an online weekly magazine written for kids, and news from around the world
- [www.readingrockets.org](http://www.readingrockets.org)

# Community Education / Youth Activities

We are excited to have the cities of Franklin and Morgan along with Cedar Mountain Community Education teaming up to offer summer programming for our youth this summer! More information about the programs offered and registration information can be found online at [www.cms.mntm.org](http://www.cms.mntm.org). All registrations will be done online as well.

## TO REGISTER:

1. Go to the school website: [www.cms.mntm.org](http://www.cms.mntm.org)
2. Click on Community Programs
3. Click Community Education
4. Follow the link to Community Rec Registration Form
5. Complete online form
6. Send payment to CM Community Ed  
PO Box 188,  
Morgan, MN 56266  
or return to the school office in Franklin or Morgan.
7. Please send payment in immediately following your registration online.

NOTE: If you are signing up multiple children, complete the first form entirely and click "Submit" at the end. After you submit, click "Submit another response." Fill out all unique information regarding the next child. Any information that is the same, you can write "Same as John Doe" (To save time, I would suggest copying and pasting that phrase into all boxes where the answers will be the same). You can do the same for adults and siblings if applicable. If you wish to register for only 1 event now, and decide at a later date to register for another activity, you will need to fill out a new online registration form, however, you may indicate on the blanks that you have already filled this form out, that way you don't have to "refill" it all out again. Questions can be sent to Sarah Sullivan at [sullivan@cedarmt.org](mailto:sullivan@cedarmt.org)

*All notices and changes for events will be posted on the Community Ed and CM Elementary Facebook pages. Be sure to "Like" these pages so you can stay up to date on changes, weather related announcements etc...*

## Summer Activities also Include:

- Horse Camp
- Movie Day
- Shrek Play
- Crayola Experience
- Paint, Pool & Park

**Go to [www.cms.mntm.org](http://www.cms.mntm.org) under the Community Programs Tab for more information.**

## ARTS, SPORTS & ACTIVITIES

Who: Grades K-5 (2016-17 School Year)

Date: Mid-June to Mid-August

Time: 9 AM – 11 AM

Where: Franklin & Morgan

Cost: \$30.00 Includes t-shirt

This program is for students who just completed K-5 grades and will be offered on M/W in Morgan and T/TH in Franklin, you can sign your child up for either site (not both).

Your child will be able to explore their creative side doing arts/crafts and activities and get physically fit playing different sports such as kick ball, t-ball and other fun games! There will be activities planned in the areas of arts/crafts, games, sports etc... Students will have the opportunity to express their creativity, learn to work with others, build friendships, explore different interest areas and get exercise! Something different will be planned every day.

## SOCCER - SKILLS & SCRIMMAGE

Date: Sundays & Thursdays, June 10 – August 3  
(No class Thursday July 6)

Grades: 1-8

Time: 6:00 PM – 7:00 PM – Grades 1, 2, 3, 4  
7:00 PM – 8:00 PM – Grades 5, 6, 7, 8

Locations:

**Sundays** in Morgan @ Swimming Pool Park

**Thursdays** in Franklin @ Elementary School Playground

Cost: \$50

Soccer expert, Prince Adarkwah, will be coaching this program and will be assisted by Kyle Krueger. This year Prince was a paraprofessional in the MS/HS Phy. Ed classes so he is well known to many students already. Prince played professional soccer in Ghana, including playing for the University of Cape Coast when he was a student there. Players will learn the basic skills of soccer, how the game is played and play games during scrimmages. This is for beginners on up, if we have enough interest, a few games may be played with a neighboring town.
